RE: Packaging Design Holder of NRC Certificates of Compliance

This is to advise that as of May 1, 2008, MDS Nordion divested the External Beam Therapy and Self-Contained Irradiator businesses to Best Theratronics Ltd.

With the sale of these device lines, Best Theratronics Ltd is now the packaging design holder of the USNRC "Certificate of Compliance for Radioactive Material Packages" for the packages listed below:

- USA/9290/B(U)-96 for the F430
- USA/9299/B(U)-96 for the F-423
- USA/9310/B(U)-96 for the F-431

Yours truly,

MDS Nordion
