Subject: schedule of conference calls between NRC and Luminant

- 1) Tuesday, April 7, 2009 at 9 am EST to discuss the RT(PTS) RAI.
- 2) Thursday April 9, 2009 at 9 am EST to discuss Part 1 financial Assurance

Not an RAI call. Purpose of the call is to discuss the joint venture with MHI and to determine when the new part 1 will arrive at NRC. The staff also found some issues that could be RAIs, that they wanted to bring to Luminant's attention. Staff not looking for response to these issues as we will be sending out RAIs in future with another call to be scheduled after Luminant receives these RAIs.

Did you want me to obtain bridge lines for these calls?

thanks,
