Dear Ms. Simmons,

This letter is a follow up to the original letter dated February 3rd 2009 and the email received Wednesday April 8th which states Dr. Wagenknecht can be granted authorizations for 10 CFR 35.100 and 35.200.

We would like to kindly rescind our request for Dr. Wagenknecht's administration of oral sodium iodide iodine - 131 for imaging and localization studies and treatment of hyperthyroidism.

We would like to request authorizations for 10 CFR 35.100 and 35.200 only.

Sincerely yours,

Lynne Cordery
Radiology Director
