Re: South Carolina Electric & Gas Company's ("SCE&G") Integrated Resource Plan (IRP) from
2006-Present
Docket No. 2006-103-E

Dear Mr. Terreni,

This is to inform the Public Service Commission of South Carolina ("Commission") that the Office of Regulatory Staff ("ORS") has reviewed SCE&G's request for the Commission to hold in abeyance the hearing scheduled for September 23, 2008 to discuss SCE&G's IRP. The Company states it will file direct testimony and present a witness at the hearing in its Base Load Review proceeding in Docket No. 2008-196-E to fully discuss the IRP. Therefore, the Commission will have an opportunity to be fully briefed on the IRP during the Base Load Review hearing.

After review, ORS believes the Company's proposal is consistent with judicial economy and has no objection to SCE&G's request.

Thank you for the opportunity to provide our comments in this matter.

Sincerely,

John W. Flitter
