Re: South Carolina Electric & Gas Company's Integrated Resource Plan from 2006-
Present
Docket No. 2006-103-E

Dear Mr. Terreni:

On May 23, 2008, the Public Service Commission of South Carolina ("Commission") served upon corporate counsel for South Carolina Electric & Gas Company ("SCE&G" or "Company") a Notice of Hearing dated May 22, 2008, issued in the above-referenced docket. According to the Notice of Hearing, the Commission has scheduled a hearing to begin on September 23, 2008, for the purpose of having SCE&G brief the Commission on the Company's Integrated Resource Plan ("IRP"). For the reasons below, SCE&G respectfully requests that the Commission hold in abeyance the hearing scheduled for September 23, 2008, to discuss SCE&G's IRP.

On May 30, 2008, SCE&G filed with the Commission a Combined Application for Certificate of Environmental Compatibility and Public Convenience and Necessity and for a Base Load Review Order ("Combined Application") in Docket No. 2008-196-E. In support of its Combined Application, SCE&G will file direct testimony and present a witness at the hearing in Docket No. 2008-196-E to discuss the Company's IRP. As a result, SCE&G expects that the Commission will have an opportunity to be fully briefed on SCE&G's IRP during this hearing. If, after the hearing is held in Docket No. 2008-196-E and a decision is made in that docket the Commission still wishes to hold a briefing on SCE&G's IRP, then the Company will gladly appear before the Commission.

By copy of this letter, we are notifying counsel for the South Carolina Office of Regulatory Staff of SCE&G's request.
