Re: License No. 21-18912-01
Notification of removal of Areas of Use

To Whom It May Concern:

The purpose of this letter is to notify you of changes in the Areas of Use where byproduct material is used in accordance with 35.100 and 35.200 identified in our Nuclear Regulatory Materials License application for the following location:

Heart Center for Excellence
1722 Shaffer Street, STE 1
Kalamazoo, MI 49001

The relocation of our nuclear cardiology department to the first floor of the same building did not occur. The diagram of the added Location of Use for the nuclear department per NRC Amendment No. 46 is enclosed. Please remove these Areas of Use from our NRC license.

Please note that no radioactive materials were used or stored in these Areas of Use. Therefore, a closeout survey is not required.

Thank you for your cooperation with this matter. If you have any questions, please contact our physics consultant, Sharon Updike, at 734-662-3197.

Sincerely,

Administration
Heart Center for Excellence
