RE: Late-Filed Report of Nuclear Reactor Components Exported Under General License –
10 C.F.R. 110.26(d)

Dear Deputy Director:

This letter is filed on behalf of Eaton Corporation (“Eaton”), Aerospace Group, Conveyance Systems Division located in Warwick, RI USA; a wholly-owned subsidiary of Eaton Corporation with its headquarters located in Cleveland, OH.

Attached hereto you will find our report, filed pursuant to 10 C.F.R. 110.26(d), concerning certain components (seal assemblies) exported in calendar year 2008 by Eaton to our customer, Atomic Energy of Canada Ltd. in Canada. These are components described in paragraph (9) of Appendix A to Part 110 and their export was subject to the general license in section 110.26(a).

Please find the detailed information pertaining to these applicable shipments as Attachment A attached to this letter. This letter and Attachment A can be released on ADAMS as it does not contain any proprietary or sensitive information.

Should you or your colleagues have any questions concerning this letter or accompanying report, please feel free to contact the undersigned at (401)473-2225.

Sincerely,

Lori Sherman, Division Trade Compliance Manager
Eaton Corporation
