**DOMINION VIRGINIA POWER**  
**NORTH ANNA POWER STATION UNIT 3**  
**COMBINED LICENSE APPLICATION - SECURITY PLAN REVISION 1**

This letter forwards the North Anna Unit 3 Security Plan, Revision 1 for NRC review. Revision 1 has been revised to incorporate Revision 6 (March 18, 2009) to NEI 03-12. Revision 1 of the Security Plan replaces Revision 0, originally included in the North Anna COL application (COLA).

Revision 1 of the Security Plan is intended for NRC review because Revision 1 reflects recent changes in security-related regulations and guidance. However, to minimize COLA revisions, Dominion intends to incorporate the revised Security Plan into Part 8 of the COLA at a mutually agreeable time. That COLA revision would reflect this version of the plan, as modified, if necessary, during the course of the NRC review.

The enclosed material contains Safeguards Information as defined by 10 CFR 73.22 and its disclosure to unauthorized individuals is prohibited by Section 147 of the Atomic Energy Act of 1954, as amended.

Very truly yours,

Eugene S. Grecheck
