**PETITIONERS' MOTION FOR ONE-DAY ENLARGMENT TO
REFILE PETITION AND CONTENTIONS**

Now come the Petitioners, by and through their attorney, and move the Atomic Safety and Licensing Board for leave to enlarge the deadline for re-filing their original Petition and Contentions from April 20, 2009 until April 21, 2009.

Counsel for Petitioners represents that he has experienced software difficulties in compiling the Contentions as ordered by the ASLBP in its April 9, 2009 order concerning oral argument (ASLBP No. 09-880-05-COL-BD01) and that he anticipates clearing up the problems expeditiously.

Counsel represents that he has attempted to comply with the ASLBP's order in good faith and that no party should be unduly prejudiced by the granting of this request, which extends a time limit by a single day.

WHEREFORE, Petitioners pray the ASLBP grant them an enlargement of time until April 21, 2009 to comply with the Board's order to re-

file the Petition to Intervene and associated Contentions.
