Mail Control 143433 License No(s). 47-25570-01 Docket No(s). 030-35774  
or Report No(s).

Name of Licensee: Alliance Imaging, Inc.  
Name of Participant(s): Michael Culley, MS CNMT  
Telephone No. 978-852-3527  
Subject: RAI concerning license amendment  
(NOTE: This will be used as the Documents Title in ADAMS)

Summary: I asked Mr. Culley to provide the names of the people that should be added to their current license as Authorized Users (AU) from both Medical Outsourcing Services (MOS) and Shared PET Imaging (SPI). I also asked if the Radiation Safety officer (RSO) would remain the same to which he informed me that he wanted to name himself as the RSO. He said he was named on an Agreement State (AS) license. I told him he would need to include a copy of the AS license in his request. Because the license is over 15 pages long, I asked him only to send the pages that show the material and authorized use up to the page where he is named RSO and the signature page. I informed Mr. Culley that the license termination he requested for MOS and SPI would have to be done through our Region III office.

Action Required: Place in ADAMS
