Dear Dr. Pasternak,

The purpose of this email is to acknowledge receipt of your third letter dated April 15, 2009, regarding background information you provided on behalf of the California Radioactive Materials Management Forum for consideration by the Commission at the April 17, 2009, briefing on the low-level radioactive waste program (referred to herein as the LLW Commission Brief).

The information you provided was distributed to both the staff and the Commission for their consideration in preparing for the LLW Commission Brief which occurred on Friday, April 17. Your background materials will also be made available to the public through the Agencywide Documents Access & Management System (ADAMS).

If you were unable to attend the meeting, past meetings may be viewed via the webcast archive: <http://video.nrc.gov/nrcArch.cfm>.

We appreciate your interest in the NRC LLW Program.

Best regards,
Patti Swain
