Dave,

You can ignore my earlier message. I hadn't realized this document had been submitted on the 14th. I hadn't looked far back enough in ADAMS to find it. I've got it now.

Sorry to have bothered you!

Have a great afternoon,  
Marjey

Good Afternoon, Dave,

I wonder if you or one of your staff can help me with something? I saw in the papers that Entergy submitted to us a response to our RAI on the decommissioning funding plan (and/or the spent fuel management plan). I think you all submitted this response yesterday. I don't have it electronically, and I could not yet find it in ADAMS, so I don't think our HQ folks have processed it yet. Sarah Hofmann of Vt DPS called and asked me if I could send her a copy. She said that DPS did receive a copy from you guys, but she doesn't have it handy, and she is getting press inquiries.

Is it possible or permissible for you guys to send her another copy of this? I am also trying to get it from Doug Pickett and Jim Kim, but I thought I'd try both routes.

Sarah's email is [sarah.hofmann@state.vt.us](mailto:sarah.hofmann@state.vt.us)

Please let me know if this presents any problems or concerns for you.

Thank you so much!

Marjey
