no it sounds like a good plan,

we will ask if the state has any questions after NRC questioning is done and lead summarizes.

I think the summary cued her into thinking we were going to get off the phone quickly.

Good Morning, Rich,

I just wanted to inform you that I spoke with Jill last night. She is not at all upset about the call. I explained to her how we proposed handling State questions on future calls (after the NRC questions), and she is fine with that. She said that she appreciates having the opportunity to listen in on these discussions.

I apologize for not providing better guidance yesterday, and for any discomfort that may have caused you. I think we are in a good place now for any additional telecons. I'll strive to be more on my game for those.

Let me know if you have any questions or concerns.

Marjey
