Subject: Thursday Oyster Creek Status Call

Darrell has requested that there be a review of the status and results of the Oyster Creek outage inspection on Thursday, Nov. 13.

A conference call number exists for the period of 12:30 - 4:30 pm as follows:

800-857-9752 with a passcode of (b)(2)High

The conference line is expected to be in use by Engr. Br. 1 from 1 - 3 pm but interrupt if need be. Outside that time, call Rich at X5183 to arrange the call.

Also, Rich's cell phone is (b)(6)

And if the work schedule does not support a conference call, email is an option.
