approved. I may or may not need you to get on the bridge for tomorrow at 200pm to discuss the OC report as a group.

It depends on if John says it is ready or not.

When we go through the report at a group, we should record specific Q at least if not As. also for the pending comm plan. Barkley and McNamara are lead for comm plan.

I will be covering the branch tomorrow at the 800am meeting, Doug tell me what to say on priority project status.

Michael will cover for me as prearranged on Wednesday morning, since I will be in late.
