Dear Mr. Linton:

COGEMA Mining, Inc. is in receipt of a Request for Additional Information (RAI) from the NRC dated March 24, 2009, seeking additional supporting information for the NRC's environmental review of the license renewal request for the Irigaray/Christensen Ranch ISR Project. We request an extension on the submittal of our response to May 29, 2009, coincident with the submittal date of our responses to the RAI dated February 19, 2009. Thank you for your consideration of this request.

Sincerely,

Tom Hardgrove
