MAY 2008

OBTAINING COPIES OF RECORDS FROM  
THE PUBLIC DOCUMENT ROOM (PDR) AT  
THE U.S. NUCLEAR REGULATORY COMMISSION (NRC)

**PLACING ORDERS FOR COPIES OF RECORDS.** Copies of records maintained at the PDR or publicly available in the Agencywide Documents Access and Management System (ADAMS) may be obtained by visiting the PDR at One White Flint North, 11555 Rockville Pike (first floor), Rockville, MD 20852; by calling the PDR, Reference Services, at (301) 415-4737 or 1-800-397-4209; writing to the PDR at Mail Stop O-1 F13, U.S. NRC, Washington, DC 20555; by E-mail (PDR.Resource@NRC.GOV) or by fax at (301) 415-3548.

In ordering records identified on appendices to NRC's responses to Freedom of Information Act (FOIA) requests, a person may place a telephone order whenever all records are being requested, or a limited number of records from different file locations are being requested. If a requester is interested in only some of the records identified on appendices, the requester should place a check mark beside each requested record identified on the appendices and send copies of the marked pages to the PDR. The PDR staff will then arrange for the records to be copied by the copying service contractor.

**PAYMENTS.** Payment for reproduction services can be accomplished in several modes. Prepayment will be required for requesters without established accounts. A deposit account may be established by contacting Best Copy and Printing Inc. (BCPI), 11746 Parklawn Drive, Rockville, MD 20852, 301-816-2820. The contractor also accepts the following credit cards for orders totaling \$10 or over, Visa, MasterCard, Discover, and American Express.

**INQUIRIES REGARDING ORDERS.** Inquiries related to the status of reproduction orders should be addressed in the following manner:

1. For records ordered by a telephone call to the PDR, contact the PDR and provide the approximate date of the telephone request, the name of the entity to be billed, and the method of delivery of records to you.
2. For records ordered by an on-site visit to the PDR, contact the contractor and provide him with the following information obtained from your copy of the reproduction request form: date of order, entity to be billed, the request number and the method of delivery of records to you. The contractor's telephone number is 301-816-2820.
3. For records ordered by letter, fax, or e-mail to the PDR, contact the PDR and reference your letter.

**CHARGES.** Requests for the reproduction of records at the U.S. Nuclear Regulatory Commission Public Document Room in Rockville, MD, are performed by a copying service contractor, BCPI. The contract for copying services provides for the following rates for copying records maintained at the PDR.

1. Paper to paper reproduction is \$0.30 per page up to and including 11"x17". Pages larger than 11"x17", including engineering drawings, are \$1.50 per square foot.  
**Note:** Pages greater than legal size, 8½" x 14", but smaller than or equal to 11" x 14", shall be reduced to legal size *unless* the order specifically requests full size reproduction.
2. Microfiche to paper reproduction is \$0.30 per page. Aperture cards to paper are \$3.00 per square foot.
3. Electronic Full Text (EFT) files (ADAMS documents) (OCR, PDF, TIFF) to paper reproduction is \$0.30 per page. Electronic Full Text (EFT) copying of ADAMS documents to CD-ROM is \$5.00 plus \$0.15 per page for each accession number on the CD-ROM and \$5.00 for each additional CD-ROM necessary to complete the job. CD-ROM to paper reproduction is \$0.30 per page. CD-ROM to CD-ROM is \$10.00 each.
4. Microfiche or aperture card reproductions are \$5.00 each.
5. *Rush Processing Service* is available at an additional fee for many services. Contact the PDR for information.
6. All turnaround times refer only to the duplication service provided by the contractor and do not include the time spent by PDR reference staff to assist users, to identify and retrieve documents, or to prepare orders for users.
7. Facsimile (fax) service includes local, domestic, and foreign. Fax charges are: \$1.00 per page for local calls; \$2.00 per page for U.S. long distance; and \$6.00 per page for foreign long distance. A \$0.30 per page copy fee is added to the total.

Orders completed for mailing by the U.S. Postal Service or by a private delivery service will include an additional fee for the actual mailing, shipping or delivery service rate. Unless a user requests special packaging materials, there is no additional charge by the contractor for wrapping materials and handling.

The contractor can also reproduce diskettes, video cassettes, audio cassettes, and DVD disks. Contact the PDR for additional information.
