EXPERIENCE

Legal Practice and Professional Consulting:

Extensive experience in Administrative law, public administration and public utility law, along with insurance practice and constitutional law. Particular experience in deliberations involving complex issues. Interaction with national decision-makers in vital issues such as electric generation and transmission, telecommunications markets and consumer well-being, health insurance availability and hurricane insurance coverage.

Major Activities:

- **1992:** Organized and filed with the US Department of Justice the State of Florida's compliance with Voting Rights Act, Section 5;
- **1993:** Authored major rewrite of Florida Minority Business oversight and advocacy statutes, including extensive review of Black Business Investment Board;
- **1994:** Conducted legislative review of legislation authorizing multi-jurisdictional special districts designed for major economic development and theme parks;
- **1995:** Conducted extensive legislative review of group health insurance, and plight of

the uninsured. Gave specific attention to impact of out-of-state group health plans;

- **1996:** Coordinated state implementation of national health insurance reform in the Kennedy/Kassenbaum Act;
- **1997:** Conducted extensive legislative review of workers' compensation insurance, with specific focus on the impact of fraud in the system.
- **1998:** Appointed to Florida Public Service Commission by Governor Lawton Chiles.
- **1999:** Chaired Ad-Hoc Task Force on Y2K in the National Association of Regulatory Commissioners. Conducted oversight of preparations nationally for transition of IT processes to the new millennium in electric, telecommunications, natural gas, water and wastewater industries. Active collaboration with President's Y2K Chief, and national regulatory agencies.
- **2000:** Chaired national task force investigating abusive and improper billing practices in telecommunications industry. Coordinated the development of a national model of rules to regulate these practices in telecommunications industry;
- **2001:** Chaired Standing Committee on Consumer Affairs in the National Association of Regulatory Utility Commissioners; Elected President of Southeastern Association of Regulatory Utility Commissioners; Elected Chairman of the Florida Public Service Commission.
- **2001:** Served on Governor's 2020 Energy Commission.
- **2005:** Provided counsel to mediators and consumers as a contract attorney in the Florida Hurricane Mediation Program, to resolve property insurance claims backlogged from 2004, using alternative dispute resolution techniques.
- **2006:** Served as legal counsel to The Sierra Club in permitting proceedings before the Florida Public Service Commission on climate change issues. Specifically served as counsel to contest the siting of pulverized coal plants.
- **2007:** Served as legal counsel to Save It Now Glades, Inc., a citizens' advocacy group in South Florida to contest the siting of pulverized coal plants in Glades County, Florida;
- **2007-2009:** Served as consultant to Southern Alliance for Clean Energy, a regional environmental advocacy group, and to the Natural Resources Defense Council, a national environmental advocacy group, in a variety of proceedings related to clean energy, and specifically flowing from Governor's Executive Orders requiring reduction of greenhouse gases in Florida.
