RE: License # 13-20352

To Whom It May Concern:

We request amendment to our radioactive materials license #13-20352-01 to appoint Rodney A Dunseath, D.O. as Radiation Safety Officer for our facility in place of Robert Meili, M.D.

Dr. Meili is also to be removed as an authorized user on our license.

Dr. Dunseath is already listed on our license as an authorized user and is listed as a Radiation Safety Officer on license #13-32535-01, for Arnett Clinic, Lafayette, IN.

Thank you.

Sincerely,

Stephanie Long  
Executive Vice President
