Case No.: 2009-0155
Date Rec'd: 4-28-09
Specialist: Brown
Related Case: _____

Dear Freedom of Information Officer,

Under the provisions of the Freedom of Information Act, I hereby request copies of records from the NRC. Specifically, I would like to obtain copies of requests for exemptions from fire protection regulations (Appendix R) sought by the operators of the Browns Ferry Nuclear Plant. The specific requests were referenced in a March 6 letter from the NRC to officials at the TVA, which owns the plant. The ML number of the letter is ML090650605.

If possible, I would like to obtain electronic copies of the records. If the cost for fulfilling my request is greater than \$50, please advise me before proceeding.

The information I have requested is for use in a news story, therefore I request a waiver of fees if possible.

If necessary, you can reply to this email or reach me by telephone at 609-497-4585.

Thanks for your time and consideration.

John Sullivan
