1st day on-site. just getting started.

Entrance Meeting was well attended. LR representatives from Calvert Cliffs and NMP are here to observe. Interface with the NJ State reps seems to be good.

Today - Looked at ESW pipe replacement, cavity drain line, and 2 of 5 sandbed drain bottles.

Nothing noteworthy to discuss. Drywell and Sandbed UTs start tomorrow.

Team Location: OCAB 2nd Floor, Visiting Exec Office, 609-9714830
