Stevie, thanks for the update.

Tim O'Hara completed the sand bed inspections today. At this point in time, we do not anticipate any further NRC entries into a sand bed. Please feel free to proceed with your planned sand bed repairs, final inspections, and close-outs.

NRC Senior Inspector

Talked with Fran Miranda and the crews are currently in the bays. A night crew will also be finishing painting. Fran will be on at 0800 and will sniff in the morning. Access for the Bays should be at 1000 11/14.

I will be in at about 1000
