Good morning Robin:

Further to our discussion regarding export license application XSOU8818:

The following are indications of the percentage breakdown of the foreign countries listed in Box # 11.

Please note that origins and percentages are estimates for planning purposes. We don't have exact quantity for any specific origin, but these are our best estimates at this time:

Australia – 30%

Canada – 10%

USA, Kazakhstan, Russia, Uzbekistan, Namibia, South Africa – 60%

Please let me know if you have any additional questions.

Best regards
