MHI,

The attachment contains the subject request for additional information (RAI). This RAI was sent to you in draft form. Your licensing review schedule assumes technically correct and complete responses within 30 days of receipt of RAIs. MH's response will reference an MHI letter (UAP-HF-09204) to the NRC, dated April 24th, which we are awaiting receipt. This approach is satisfactory and NRC will determine the adequacy of the RAI response.

Please submit your RAI response to the NRC Document Control Desk.

Thanks

Jeff Ciocco
