Washington, DC 20555-0001

Dear Chairman Klein:

Thank you for your recent letter inviting New Jersey to designate a new State Liaison Officer to the United States Nuclear Regulatory Commission to replace Lisa P. Jackson. I am designating Mark N. Mauriello, Acting Commissioner, and Department of Environmental Protection, to serve in this important role. Since most state nuclear safety related activities are performed in his Department, Acting Commissioner Mauriello is the key person in New Jersey to keep me informed on nuclear regulatory safety and health matters and provides you with information you may need from us. Acting Commissioner Mauriello's contact information is enclosed.

Thank you for the opportunity to continue to participate in this valuable program.

Sincerely,

JON S. CORZINE
