RE: 2009-04-23 Proposed date for public meeting on chapter 11 DCD

Don,

Preparing of presentation material is not needed. We plan to sit down and discuss remaining RAIs that could not be resolved.

We will identify the specific RAI issues before the meeting.

thanks,

Thanks Steve. Let me confirm the availability of the right people from our project. I did a quick look at the project calendars and the date seems feasible. It would be useful if we could get a little more detail about the meeting – what aspects of the review and RAIs are of interest and will be covered? Should the project be preparing any presentations and if so, what should be the theme of the presentations? -or is this just a sit down to discuss the review and to clarify US-APWR, CPNPP and NRC understandings of the products and issue? Are there any specific RAIs we should focus on?

I would appreciate any clarifications you can provide.

Don,

we are proposing Monday, May 18, 2009, from 1 to 5 pm to have a meeting to discuss Chapter 11 RAI responses for the DCD. We are proposing to make this a category 2 public meeting so MHI and Luminant can both participate.

thanks,
