Paul,

I want to confirm to you that April 2 works for the Comanche Peak project team. Thanks for setting this up.

Here are some ideas for an agenda (very high level but a starting point):

- Comanche Peak project – provide an update regarding RITS and the supporting PRA
- NRC Staff – identify options to approve RITS for Comanche Peak COLA
- All – discussion of plan going forward

Hi Don,

We are wondering if April the 2nd, 2009 would be a better day than April 9th, 2009 (as presently scheduled) since the ACRS meeting is scheduled for April the 3rd, 2009. This would alleviate travel two weeks in a row.

Please let me know if that works for you and we can try to schedule a meeting for the 2nd of April.

regards,
