

May 7, 2009

Mr. Chris Gerdes  
Director, Nuclear Security  
Limerick Generating Station, Exelon Nuclear  
3146 Sanatoga Rd.  
TSC1-1  
Pottstown, Pa 19464

Dear Mr. Gerdes:

The Nuclear Regulatory Commission (NRC) is pleased that you will participate in a Commission meeting on security issues scheduled on Friday, June 26, 2009, at 9:30 a.m. The meeting will be held in the Commission's Executive Conference Room on the 18th floor of the NRC's Headquarters building at One White Flint North, Rockville, Maryland, and will be closed to the public in order to permit discussion of safeguards information. First, the NRC staff will provide a presentation on integrated response activities, the status of the Comprehensive Review Outcomes Working Network (CROWN), and the Integrated Pilot Comprehensive Exercise (IPCE). Then you will be part of a stakeholder panel giving presentations on the IPCE. The Commission is interested in hearing Limerick Generating Station's views on integrated response activities, specifically the IPCE. I am enclosing a copy of the draft meeting agenda for your information (enclosure 1). My staff will keep you informed of any updates to the agenda.

To assist the Commission in preparing for the meeting, please e-mail any written material, including viewgraphs/slides, to Ms. Rochelle Baval and Ms. Sandy Joosten ([rochelle.baval@nrc.gov](mailto:rochelle.baval@nrc.gov) and [sandy.joosten@nrc.gov](mailto:sandy.joosten@nrc.gov)) in the Office of the Secretary, by June 19, 2009, so that it can be distributed to the Commission for review in advance of the meeting. Enclosed are guidelines for viewgraphs, if you choose to use them (enclosure 2). PowerPoint or other electronic presentation formats are acceptable. If you have any questions, please contact Ms. Baval at 301-415-1651.

Your presentation at the Commission meeting should be based on the assumption that Commissioners are familiar with the content of your written material. Please plan your oral presentation for 8 minutes, discussing the important points on which you wish to focus the Commission's attention.

The NRC Headquarters building is located opposite the White Flint Metro Station on Rockville Pike and Marinelli Drive, Rockville, Maryland. The White Flint Metro Station is on the Red Line of the Washington area subway system. Reserved visitor parking for Commission guests is available. If you wish to use reserved parking, please notify Ms. Baval in advance. If reserved parking has been arranged, please check-in with the security staff at the entrance to the NRC campus on Marinelli Drive when you arrive. A Security Guard will call for an escort. Please

note that visitors will be screened through metal detectors, will have their packages x-rayed, and will be required to present a picture identification card prior to signing in at the registration desk.

Sincerely,

***/RA/***

Annette L. Vietti-Cook  
Secretary of the Commission
