SUBJECT: DELAWARE HEART GROUP, P.A., CONSENT TO CHANGE LICENSEE NAME,  
CONTROL NO. 143670

Dear Dr. Bowens:

This refers to your letter dated April 20, 2009 describing the proposed transfer of your licensed activities to Clinical Cardiology Specialists. From your letter, we understand that this transfer will not result in any change to the location of use, materials, persons using licensed material, or persons responsible for radiation safety at the licensed facility. Furthermore, based on a telephone conversation with Sandy Harrington on April 28, 2009, it was determined that this is not a change of control of the license but a reorganization. Once you have reorganized with the new company name, please submit an amendment request for a name change only.

Based on the above understandings, we have no objection to this transfer. Future changes in the licensed name, use, location, persons responsible for licensed material require submission of a request to amend the license. NRC approval must be received prior to implementation of the proposed change.

Thank you for your cooperation in this matter.

Sincerely,
