Joe,

FedEx Tracking indicates the RIS response was signed for by G. Francis at 9:37 a.m. on May 4.

Tom,

I still have not seen TVA's response to RIS 2009-03 in ADAMS. I used the tracking number that you provided me and I am looking for the information on my end. The fact that it is not yet in ADAMS would seem to indicate that there is a problem. Can you please check on your end and confirm that the address to which you are sending the package is the Rockville address and not the Washington DC address for the NRC. The Fed ex tracking number appears to have a Washington DC address.

I'm guessing here, but since this letter was signed by Jack it might have been processed by a different secretary and sent to the Washington DC address instead of our Rockville offices.
