Re: Alaron Corporation (PADEP License Number PA-0678);  
Financial Assurance

Dear Mr. Wallace:

I have received the original Letter of Credit No. 68026460 issued by Bank of America, N.A., dated March 31, 2009, which you submitted on behalf of Alaron (PADEP License No. 0678; previously NRC License Nos. 37-20826-01 and 37-20826-02). I have reviewed the financial assurance documents submitted; the Letter of Credit is acceptable and the financial assurance for Alaron is approved at this time. By copy of this letter, I am notifying the Nuclear Regulatory Commission that the financial assurance instruments Alaron currently has on file with the NRC should be cancelled and returned to the licensee as soon as possible.

Thank you for your attention to this matter.

Sincerely yours,

Andrew T. Bockis  
Assistant Counsel
