Documents Title in ADAMS)

Summary: On May 4, 2009 Dr. Orsini called to inform me he had received a two weeks notice from the RSO on his license and he wanted to know how quickly he can have someone appointed as a new RSO. I told Dr. Orsini to send in an amendment requesting to remove the RSO and include the name of the new RSO with the NRC license no. I also said he can request to expedite this amendment request.

On May 7, 2009 I received the license amendment and called the licensee to ask for the license number where Mr. David Rhoe is listed on a license for the same materials as the licensee. He called back later that day and gave me the NRC license No. (52-25430-03). I also told him I would be sending an e-mail deficiency requesting more information on David Rhoe because of the fact that he is a consultant.
