Subject: RE: Entergy Indian Point Units 2 & 3 - Section 401 WQC - NOIA and RFI

Thanks for passing this along, Chris. Also, I wanted to let you know that we've issued the EFH assessment for the proposed license renewal. If you'd like a copy in advance of the mailed version, you can find it in ADAMS (<http://adamswebsearch.nrc.gov/dologin.htm>) at ML090790176 (cover letter) and ML090790187 (EFH assessment). Please let me know if you have any difficulty obtaining a copy.

Best regards,
Drew
