2009 MAY 13 AM 11:11

Reference: NRC Docket No. 040-06394, Control No. 142408

Dear Ms. Ullrich,

Enclosed are copies of the Final Status Surveys of the US Army Research Laboratory, Range 14 Experimentation Facility. One copy is in printed form with another in electronic media form.

The Final Status Survey Data indicate that the structures and land areas are suitable for release for unrestricted use, without regard to former operations with licensed radioactive material.

Please amend SMB-141 to reflect the removal of the facility with structures.

Please feel free to contact Mr. Richard A. Markland, (410) 278-6354, markland@arl.army.mil if you have any questions.

Sincerely,

Pamela E. Fry
Experimentation Support Manager
