Standard Conditions Eagle Scientific Collecting Permits 50 CFR 22.21

All of the provisions and conditions of the governing regulations at 50 CFR part 13 and 50 CFR part 22.21 are conditions of your permit. The standard conditions below are additional provisions and conditions of your permit. Failure to comply with the conditions of your permit could be cause for suspension of the permit. If you have questions regarding these conditions, refer to the regulations or, if necessary, contact your migratory bird permit issuing office. For copies of the regulations and forms, or to obtain contact information for your issuing office, visit: <http://www.fws.gov/permits/mbpermits/birdbasics.html>

1. If you encounter a migratory bird with a Federal band issued by the U.S. Geological Survey **Bird Banding Laboratory**, Laurel, MD, report the band number to **1-800-327-BAND** or www.reportband.gov.
2. Unless otherwise authorized on your permit, all migratory game birds taken during open hunting season must be in compliance with all applicable Federal and State hunting regulations.
3. This permit does not authorize the take or release of migratory birds on Federal lands without additional prior written authorization from the applicable Federal agency.
4. This permit does not authorize the take or release of migratory birds on State lands or other public or private property without prior written permission or permits from landowner or custodian.
5. All eagle feathers and/or whole eagle carcasses must be shipped to the National Eagle Repository. Contact: **U.S. Fish and Wildlife Service, National Eagle and Wildlife Repository, Rocky Mountain Arsenal, Building 128, Commerce City, Colorado 80022, (303) 287-2110.**
6. Your annual report may include final reports, publications, or other documentation describing the results of the project.
7. You must maintain records as required by 50 CFR 13.46 and 50 CFR 21.23(c)(4). All records relating to the permitted activities must be kept at the location identified in writing by you to the migratory bird permit issuing office.
8. Acceptance of this permit authorizes the Fish and Wildlife Service to inspect any wildlife held, and to audit or copy any permits, books, or records required to be kept by the permit and governing regulations.
9. You may not conduct the activities authorized by this permit if doing so would violate the laws of the applicable State, county, municipal or tribal government or any other applicable law.
