Subject: Uranium One review of Antelope and JAB NRC License Application - Technical Report

Mike:

In response to your email dated April 3, 2009, Uranium One has obtained and reviewed the copy of the Antelope and JAB NRC License Application – Technical Report in order to verify that it is a true and correct version of the corrected application submitted by Uranium One on February 24, 2009. Our review has confirmed that the ADAMS version is correct and is identical to the version submitted. We understand that upon receipt of this confirmation, NRC will resume their review of the application and public notice of acceptance and opportunity for hearing in the Federal Register.

Best Regards,

Mike
