Re: License Amendment Request

Ms. Simmons:

This letter is a follow-up to my letter dated September 30, 2008, requesting consent for Chelsea Community Hospital ("CCH") (Materials License Number 21-20355-01) to merge with and into Trinity Health-Michigan doing business as Saint Joseph Mercy Health System, a Michigan nonprofit corporation ("SJMHS"). Please amend the Materials License of CCH and update your files to reflect that, effective May 1, 2009, SJMHS became the sole member of CCH and on May 2, 2009, CCH was subsequently merged with and into SJMHS. Accordingly, the separate corporate existence of CCH ceased as of May 2, 2009, and the surviving corporation, SJMHS, will have all of the rights, privileges, and obligations of CCH.

This letter confirms that the transaction did not result in a change in the personnel, duties, organization, location, facilities, equipment, and procedures related to the licensed program. Likewise, the current status of CCH's surveillance program remains consistent with prior filings. All documents relevant to the decommissioning of CCH remain in the possession of CCH. Furthermore, CCH will continue to abide by all constraints, conditions, requirements and prior commitments related to the licensed program.

Should you require any additional information regarding this transaction, please call me at (734) 475-3911.

Very truly yours,

Ruth Shantz
Vice President for Regulatory Affairs
