P. O. Box 850

SUBJECT: NRC INSPECTION REPORT NOS. 03032095/2009001 AND  
03032095/2009002, CAROLINA NDT, INC.

Dear Mr. Gray:

This letter forwards NRC Form 591, "Safety Inspection," indicating that no items of non-compliance were found during the above described inspection of your licensed activities. Please retain the form in your files. No acknowledgment of this letter is required.

During the inspection we discussed the need to maintain your NRC license. When the Commonwealth of Virginia became an Agreement State on March 31, 2009, you received a new license from the Commonwealth and requested to maintain your NRC license. In our discussion, you indicated that all your current licensed work activities are conducted exclusively in Agreement States, and that no work was expected to be conducted in areas under NRC jurisdiction. Based upon this discussion, you stated that you would request termination of your NRC license. We note that after your license is terminated, you may conduct work at temporary job sites in non-Agreement States under 10 CFR 150.20 (reciprocity). Should you have any questions related to the inspection or the license termination process, we shall be pleased to discuss them with you.

Current NRC regulations are included on the NRC's website at [www.nrc.gov](http://www.nrc.gov); select **Nuclear Materials; Medical, Academic, and Industrial Uses of Nuclear Material**; then **Regulations, Guidance and Communications**. The current Enforcement Policy is included on the NRC's website at [www.nrc.gov](http://www.nrc.gov); select **About NRC, How We Regulate; Enforcement**; then **Enforcement Policy**. You may also obtain these documents by contacting the Government Printing Office (GPO) toll-free at 1-866-512-1800. The GPO is open from 8:00 a.m. to 4:30 p.m. EST, Monday through Friday (except Federal holidays).
