RESPONSE TO DEMAND FOR INFORMATION

Franklin Electric Co., Inc., ("Franklin Electric"), and Indiana manufacturer of submersible motors and water/fueling pumps, has performed a diligent search of purchase records in an effort to locate any purchases of tritium exit signs.

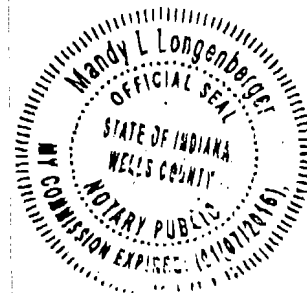

Franklin Electric has contacted the vendors, whose names were provided as possible sources of the tritium signs. The result of that contact is the conclusion that the wrong Franklin Electric was asked to respond to your request. Specifically, the companies that purchase product from the vendor list provided were *Franklin Electric Supply* in Pittsburg, PA and *Franklin Electric Maintenance* in Trenton, NJ. As such, we are unable to answer the questions posed in paragraphs A, B, C, D, and E.
