for Oath or Affirmation," dated August 22, 2001

Subject: Signature Authority for Detroit Edison Company Correspondence
Relating to the Fermi 3 Combined License Application (COLA)

Requirements for submittal of correspondence concerning license applications are provided in 10 CFR 50.30 and 10 CFR 52.3. One of the requirements given in 10 CFR 30 is that certain correspondence be signed by a "duly authorized officer" of the applicant. Reference 2 provides clarification with regard to signature authority for such correspondence.

The purpose of this letter is to inform the NRC that Mr. Peter W. Smith, Director, Nuclear Development-Licensing is authorized to sign correspondence relating to the Fermi 3 COLA as a duly authorized officer of the Detroit Edison Company.
