Subject: ACTION: Implementation of Comm Plan for Oyster Creek PNO

You are receiving this email because you have an action in the Oyster Creek comm plan.

The PN for Oyster Creek has been emailed to internal recipients and the licensee has been faxed the official version of the PN.

We are implementing the Communications Plan now. Since the licensee has received the official copy and it is so close to the end of the day, it is acceptable to compress the timeline of the comm plan.

If you have any questions, please give me a call.

-Doug Tift
