

Plant Performance Review

Indian Point Energy Center

May 21, 2009

ML091470013

Agenda

- **Closing our Gaps to Excellence** Joe Pollock
- **Plant Performance** Tony Vitale
- **Engineering** Tom Orlando
- **Groundwater** Don Mayer
- **Emergency Planning** Don Mayer
- **Closing Remarks** Joe Pollock

Closing our Gaps to Excellence

Joe Pollock
Site Vice President

2008 Achievements

- **Alert Notification System**
- **Procedure Adequacy**
- **Corrective Actions**
- **Unit 1 Fuel Pools
Emptied & Drained**
- **FEMA Exercise**

Closing our Gaps to Excellence

- **Buried Piping**
- **Emergency Planning**
- **Human Performance Initiatives**

Plant Performance

Tony Vitale
General Manager of Plant Operations

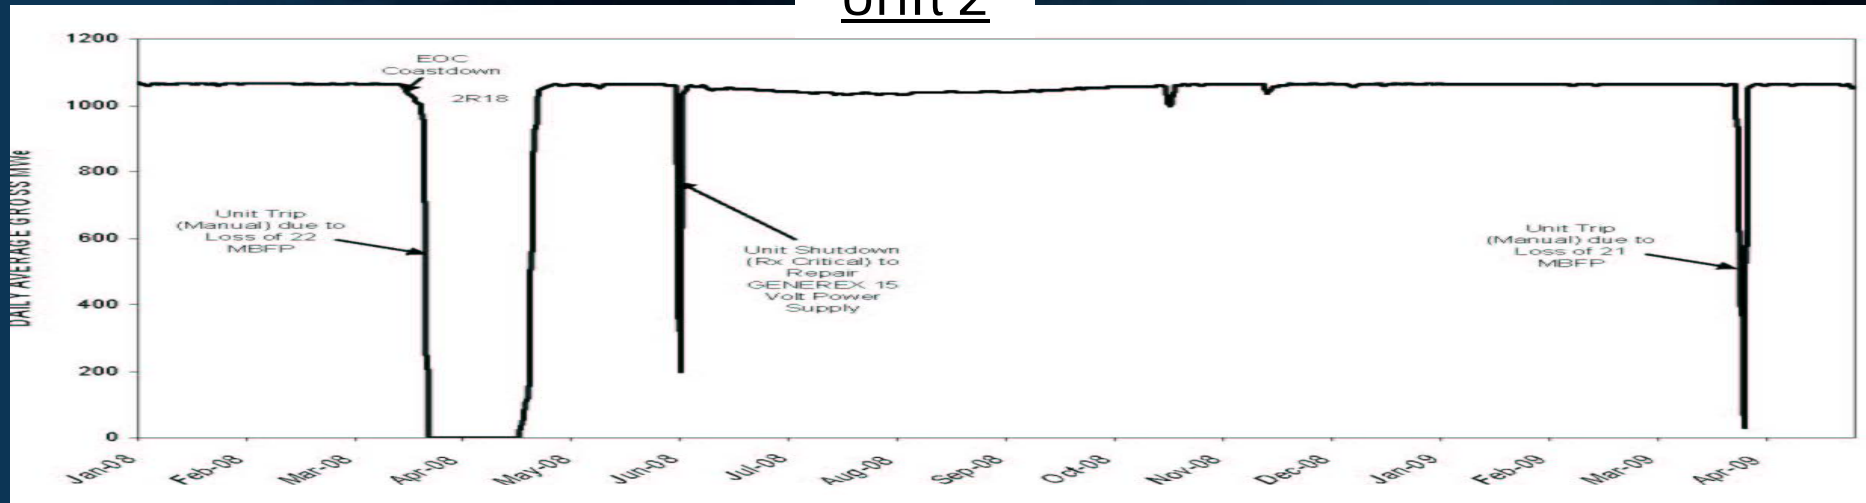

Focus on Safe Operations

- **Conservative Decision Making**
- **Maintenance & Technical Training Accreditation Renewal**
- **Safety Training**
- **Corrective Action Program**
- **Human Performance**
- **Outage Improvements**

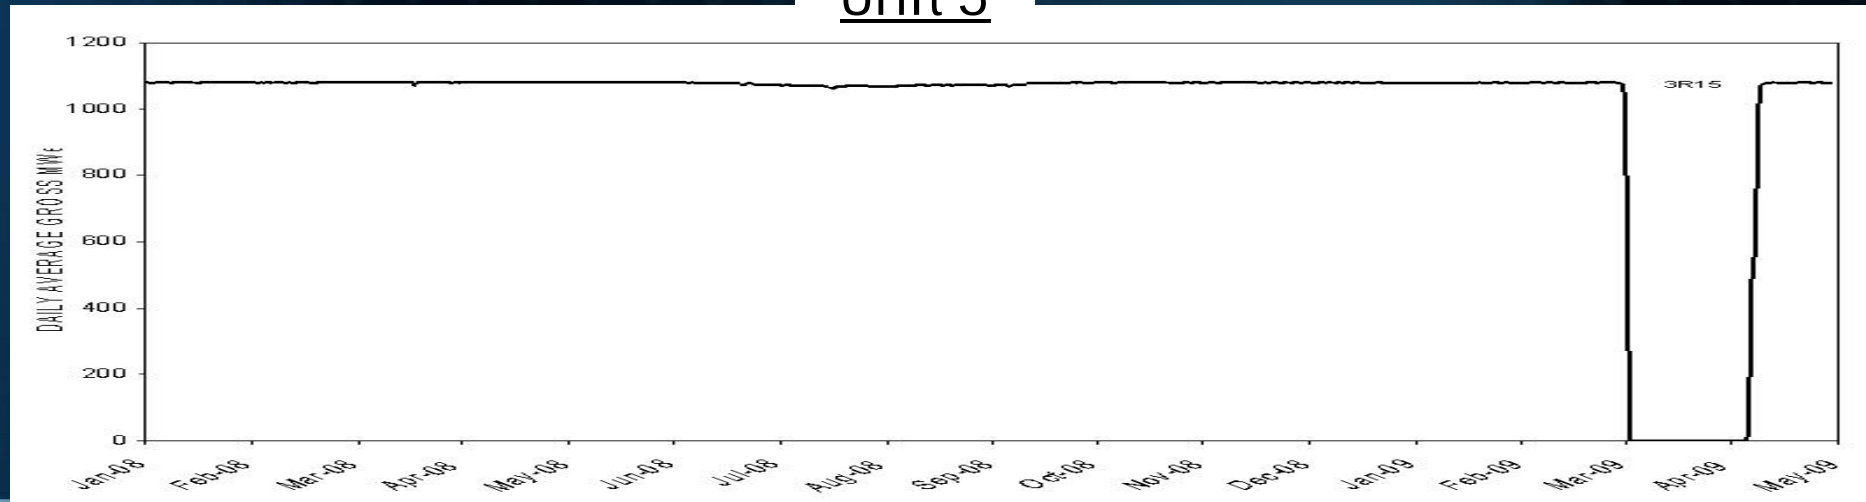

Focus on Safe Operations

Unit 2

Unit 3

Engineering

Tom Orlando
Director of Engineering

Engineering

- **Buried Piping**
 - Fleet Program Analysis
 - Inspection Program
- **Equipment Reliability**
 - Capital Investment

Groundwater

Don Mayer
Director of Special Projects

Groundwater

- **Unit 1**

- Spent fuel pools emptied and drained

- **Unit 2 & Unit 3**

- Conclusion – no leak in unit 2 spent fuel pool

- **Long Term**

- **Monitoring in Place**

Emergency Planning

Don Mayer

Director of Special Projects

Emergency Planning

- **Facilities & Equipment**
 - Emergency Operations Center
 - Incident Command Post
 - Communications
- **Outreach**
 - Staffing
 - Grant Funding

Closing Remarks

Joe Pollock
Site Vice President
