Dear Mr. Farrell:

This is to inform you that the U.S Nuclear Regulatory Commission (NRC), with the concurrence of the State of Utah, has chosen Dames & Moore to become the Trustee for the Atlas Corporation's uranium mill site near Moab, Utah. The Trust is being created to administer the oversight, reclamation, and cleanup of the Atlas site. The creation of the Trust, however, is contingent upon approval by the United States Bankruptcy Court for the District of Colorado. NRC's decision to choose Dames & Moore is based primarily on your submittal of July 9, 1999, and representations made therein.

We are enclosing a copy of the Trust Agreement which has been modified slightly to accommodate some concerns raised by the State of Utah as the other beneficiary of the Agreement. We do not envision any further modifications to this document. We will contact you to finalize arrangements in the near future. In the interim, if you have any questions, please contact me or Myron Fliegel, the NRC project manager for the Atlas site. I can be reached at (301) 415-7238 and Dr. Fliegel at (301) 415-6629.

Sincerely,

MOAB MILL RECLAMATION TRUST FUND AGREEMENT

THIS MOAB MILL RECLAMATION TRUST AGREEMENT (the "Moab Reclamation Trust"), made this _____ day of _____, 1999, is entered into by and between Atlas Corporation (hereinafter referred to as "Atlas"), a Delaware corporation, as Trustor, and Dames & Moore, Trustee, for the benefit of the United States, on behalf of the U.S. Nuclear Regulatory Commission (NRC), and the State of Utah.

RECITALS

1. Atlas currently holds title to the Moab Mill Site, located in Grand County, Utah, on the northwest shore of the Colorado River, at the southern terminus of the Moab Canyon. The site is surrounded on the north and west sides by high sandstone cliffs; to the north and east is Moab Wash; to the east and south is the flood plain of the Colorado River; and, across the River, is Moab Marsh. The Moab Mill Site is currently subject to the requirements set forth in NRC Source Materials License No. SUA-917 (License). Decommissioning of the mill began in 1988.
2. On May 28, 1999, the NRC issued an Amendment to the License, which approves a final reclamation plan for the Moab Site. The Amendment includes license conditions to satisfy reasonable and prudent alternatives (RPAs) and reasonable and prudent measures (RPMs) outlined in the U.S. Fish and Wildlife Service final biological opinion (FBO) dated July 29, 1998, as required under the Endangered Species Act, 16 U.S.C. 1531 et. seq..
3. On September 22, 1998, Atlas filed a petition for relief under Chapter 11 of the Bankruptcy Code and since that date has been operating as a Debtor in Possession. The NRC has filed a claim in bankruptcy for estimated costs associated with further reclamation of the Moab Mill Site. The State filed a claim in bankruptcy for natural resource damage to the surface water and groundwater. In order to satisfy claims in bankruptcy arising from the Moab Mill Site, Atlas has entered into an agreement, "Moab Uranium Millsite Transfer Agreement" (hereinafter referred to as "Settlement Agreement"), with the NRC, the State of Utah, ACSTAR, and the Official Unsecured Creditors Committee. Pursuant to the Settlement Agreement, Atlas agrees to transfer the Moab Mill Site, along with other real and personal property and certain identifiable funds pursuant to the Settlement, to the Moab Reclamation Trust.
4. The Trustor intends that this Moab Reclamation Trust shall create a "qualified settlement fund" within the meaning of Section 1.468B of the Treasury Regulations.

NOW, THEREFORE, in consideration of the foregoing and the covenants and agreements provided herein; the Trustee and the Trustor agree as follows:

ARTICLE IX
DISTRIBUTION OF TRUST PROPERTY AND TERMINATION OF TRUST

9.02 Termination of Trust. This Trust shall terminate under either of the following conditions:

(a) This Trust and the Trust Fund shall terminate upon the earlier of: (i) the date that is twenty-one (21) years after the date of the death of the last to die of a class consisting of the descendants of the members of the Utah State Legislature who served at any point during the Legislature's 1999 General Session who shall be living on the date this Trust is executed or (ii) the transfer of all of the Trust Real Property and water rights pursuant to Article 9.01 above and the Trustee's having complied with all of the relevant provisions of the Settlement Agreement, subject to the approval of the NRC and the State (which approval shall not be unreasonably withheld). Any balance of the Trust Estate, less final trust administration expenses, shall be distributed to a trust approved by the NRC and the State for use as the NRC and the State shall direct; or

(b) In the event that the Trust Real Property is not transferred and the Trust Fund has been exhausted, the Trust shall terminate.

ARTICLE X
LIABILITY TO THE TRUSTEE

10.01 No Liability. Notwithstanding anything else appearing herein, neither the United States, the State, nor Atlas shall be liable to the Trust, the Trustee, or any person claiming to be a beneficiary of this Trust, for any damages or other payments whatsoever arising out of matters related to the Trust or the Trust Estate (including without limitation the Trust Real Property), and the Trustee shall not have the power to sue the United States, the State, or Atlas in any forum except for the purpose of enforcing the terms of this Trust Agreement or the Settlement Agreement.

10.02 Personal Liability. The Trustee shall not be personally liable pursuant to this Trust Agreement except for gross negligence or willful acts or omissions in relation to the Trustee's duties hereunder.

11.03 Governing Jurisdiction. This Trust shall be under the continuing jurisdiction of the United States Bankruptcy Court for the District of Colorado. Subject to the provisions of the Settlement Agreement, the validity, interpretation and performance of this Trust shall be governed by the laws of the State of Colorado, except that with regard to real property, water rights and other interests in real property that are located in the State of Utah, the validity, interpretation and performance of the Trust shall be governed by the laws of the State of Utah.

11.04 Modification. Atlas intends this Trust Agreement to be irrevocable; provided, however, that the Trustee may modify this Trust Agreement with the written approval of the NRC and the State, to the extent necessary (i) to comply with the provisions of 468B of the Code and the regulations thereunder, and (ii) to fulfill the purposes of this Trust as set forth in Article II.
