Dear Ms. Wenzel:

By letters dated May 6, 2009, Cameco Resources submitted its annual surety update for the Gas Hills Satellite of the Smith Ranch – Highland Operation. The May 6 submittal did not include all of the attachments; a revised annual surety update was submitted on May 14, 2009. Please reference this number in any future correspondence associated with this request.

NRC staff has found the surety update acceptable for review. Note that the complete technical review may identify omissions in the submittal information or technical issues that require additional information.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this e-mail will be available electronically for public inspection in the NRC Public Document Room or from the Publicly Available Records component of ADAMS.
