Louisiana Energy Services, LLC  
National Enrichment Facility  
NRC Docket No. 70-3103

Subject: Non-Possessing Facility Clearance for National Enrichment Facility  
Subcontractors

Enclosed is a Non-Possessing Facility Clearance application that Louisiana Energy Service is submitting on behalf of a subcontractor that provides support services for the National Enrichment Facility. Services provided by the following company require access to classified materials and individuals performing those services will require clearances.

Charles Catino Technical Services  
10915 NW 67<sup>th</sup> Terrace  
Doral, FL 33178

We are hereby requesting a non-possessing facility security clearance at the Confidential-Restricted Data Level. The enclosures contain personal information. Louisiana Energy Services requests that the content of the enclosures be withheld from public disclosure in accordance with 10 CFR 2.390(a)(6).

If you have any questions, please contact Susan Coleman at (575) 394-6183.

Respectfully,

Gregory OD Smith  
Chief Operating Officer and Chief Nuclear Officer

Enclosures: As Stated (contains personal information exempt from disclosure).
