Dear Sir or Madam:

Plastatech Engineering Ltd. is requesting an amendment to NRC Material License No. 21-26714-01. We are requesting the replacement of Melvin R. Kuhl as alternate RSO listed in section 11. B., with Michael Matthews. Michael Matthews has completed the required training course on December 5th, 2008, described in Section 8.7.1 of NUREG-1556, Volume 4, dated October 1998. The alternate RSO will serve as the RSO, only for short periods of time, in the absence of the regular RSO and, will report to and be responsible to the RSO regarding RSO duties. If you have any questions please feel free to contact me.

Sincerely,

Crint LaBrosse
Radiation Safety Officer
