Re: Amendment to license #21-23633-01

We noticed an error in the amendment request for a facility name change. The original letter stated the name to be "General Hospital Medical Associates, P.C. d/b/a Macomb Cardiovascular Consultants". This was processed and returned in Amendment No. 9. However, the name should read General Hospital Medical Associates, P.C. d/b/a Macomb Cardiovascular Group, P.C. There is no change in ownership.

Thank you for your cooperation with this matter. If you have any questions or require additional information please contact our physicist, Michelle Kritzman, at (734) 662-3197.

Sincerely,

Administrative Officer
