Dear Henry,

I have not be able to find a copy of NUREG CR-1106 (Brandsma et al., 1979) on the NRC web site nor at any of the USGS libraries.

This report is referenced in the Calvert Cliffs FSAR, Section 2.4.6.

I was wondering if you would be able to locate a copy for our reference, or if you have anywhere else we can look for it.

Best wishes...Eric
