Division of Nuclear Materials Safety, RIII

FROM: Judith A. Joustra, Acting Chief *JAB*
Nuclear Materials Safety Branch 3
Division of Nuclear Materials Safety, RI

SUBJECT: GENERAL ELECTRIC COMPANY INSPECTION

We are responding to your request for assistance dated September 7, 1997 for conducting an inspection at General Electric Company's (GE) Hagerstown, MD facility. The inspection was performed on March 18, 1998, and no violations were identified. We have enclosed a copy of the NRC Form 591, IFS Form, and field notes for your use.

I trust that this satisfies your request. If you have any questions, or require additional information, please contact Mr. Richard Ladun of my staff.
