Got revisions Monday, need a little work, will send in next week. Due to conflicting work and no need for S5G to be on the CoC anytime soon, I'll be sending in answers to the S4G (TRITON) questions and asking you to take no further action on S5G until further notice.

I had to have a couple of the responses reworked, so I'm expecting to get those this week - hopefully to you next week.

Just got back from leave. Bettis was a bit distracted by RAIs for the YM License Application, but they promised to get me revised responses this week. Hopefully, I can get 'em out to you by the end of next week.

Sorry 'bout any delays.

Todd,

I left you a voice mail and sent you an email on 5/4 concerning RAI Responses for Triton Reactor Compartments. What is the status?

Thanks,

Chris
